DR. PETER JENSEN

*Author of *The Inside Edge**

HOW DO YOU GET SOMEONE ELSE COMMITTED TO REACHING THEIR FULL POTENTIAL?

It's a question that challenges new managers and seasoned executives alike, echoes through coaches' heads as they watch a gifted athlete underachieve, and keeps parents up at night. It is also a question best-selling author Peter Jensen has spent a lifetime investigating through his extensive work with corporate Canada and Olympic sports.

In his latest book, Peter outlines the 5 core practices you can use to:

- inspire high performance in all circumstances
- attract the best people and keep them
- outperform others who merely supervise

“A must for people who are in a position to inspire others to be their best. The lessons contain practical, insightful ideas for every level of leadership. My coaches will be getting a copy.”

– Bryan Murray
General Manager, Ottawa Senators
